Our Mission is always at the heart of what we do.

Through our annual Swing Fore St. Mary's Tournament and other fundraising events throughout the year, the Foundation works to provide funding and financial support to the mission of St. Mary's Hospital in Jefferson City. Whether it is providing medication assistance for those patients who cannot afford to pay for it, financial aid to patients undergoing cancer treatment, scholarships to caregivers and students pursuing health care professions, or funding for technology and equipment to advance patient care programs and services, through your charitable donations St. Mary's Foundation makes a meaningful difference in mid-Missouri.

The annual Swing Fore St. Mary's Golf Classic and Tennis Rally prides its self on being not only a successful fundraiser but a great friend raising event! We need your help to continue the 115 year old tradition of being able to provide assistance to our most vulnerable patients and live out our mission. . .Through our exceptional healthcare services we reveal the healing presence of God.

We hope you can join us on October 4 for a great day of golf, tennis, or pickleball!
